RON PAUL
2012
RESTORE AMERICA NOW

PROTECT GUN RIGHTS

THE RIGHT TO KEEP AND BEAR ARMS

Ron Paul believes that the right to keep and bear arms is God-given and inalienable. He has never compromised his Second Amendment views, and as President, he will continue standing up for law-abiding gun owners.

PRO-GUN. PRO-FREEDOM.

"Ron Paul has been a leader in the fight to defend and restore the Second Amendment." – Larry Pratt, Executive Director, Gun Owners of America

"No member of Congress pays more attention to Second Amendment issues than Dr. Ron Paul." – Dudley Brown, Executive Director, National Association for Gun Rights

RON PAUL'S PRO-SECOND AMENDMENT STANDS

Ron Paul authored legislation to repeal the "Brady Bill" and the "Assault Weapons Ban" and is strongly opposed to the United Nations' so-called "Small Arms Treaty." Dr. Paul also authored legislation to allow pilots and specially assigned law enforcement personnel to carry firearms in order to protect airline passengers and help prevent future 9/11-style attacks.

"I share our Founders' belief that in a free society each citizen must have the right to keep and bear arms. They ratified the Second Amendment knowing that this right is the guardian of every other right." – Dr. Ron Paul
